# STEP 1

## CONNECT TO A GIRL'S SOCCER TEAM

We are helping girl's soccer teams with plans to go to the 2023 Women's World Cup in Australia/New Zealand. The team should have a deposit down for their trip with a sports travel company like WorldStrides.

## STEP 2

### TEAMS CONNECT RECRUITING FOR GOOD TO COMPANIES HIRING PROFESSIONAL STAFF

The team parents use their social network to introduce Recruiting for Good to C-Level professionals (i.e. CEO, CTO) or HR hiring professionals via email.

## STEP 3

### COMPANY RETAINS RECRUITING FOR GOOD TO SUBMIT TALENTED CANDIDATES

Recruiting for Good will submit qualified candidates to the company. If the company hires the candidate, Recruiting for Good receives a Finder's Fee after 90 days.

## STEP 4

### THE TEAM RECEIVES MONEY FOR THEIR TRIP

Once Recruiting for Good receives the Finder's Fee, teams will receive \$2500 to use toward their World Cup trip for each successful placement.
